DEDICATION

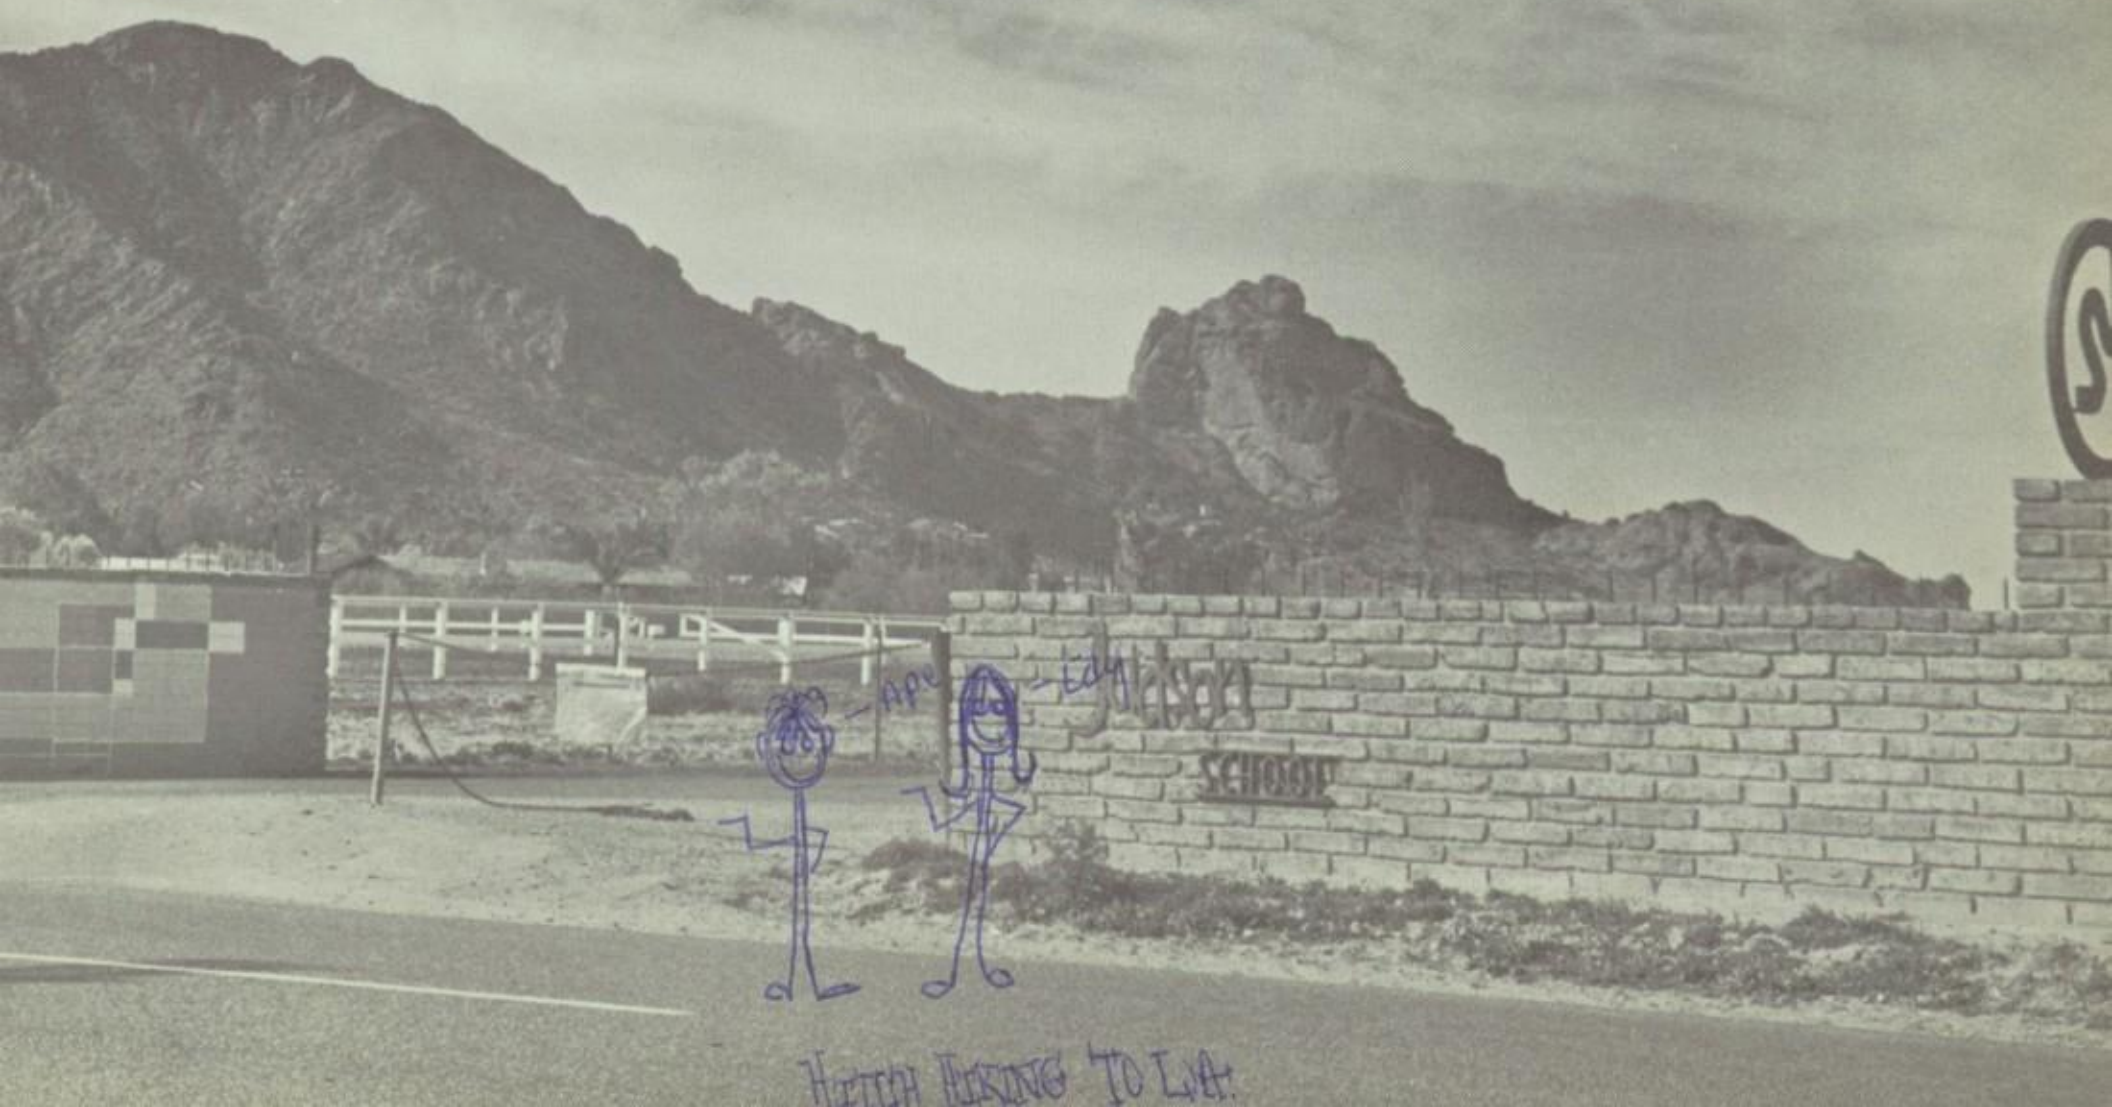

LT. COL. ROBERT C. McCALEB
Campus Supervision

A CAREER ARMY MAN, Colonel McCaleb retired from his armor command and assumed part of the responsibilities of campus supervision here at Judson School. His duties bring him into contact with almost every student in the school each day and the phrase "Ask the Colonel" is one of the most familiar throughout the campus. In so many ways this man has made us aware that we must accept our own responsibilities. With friendship and affection, Judson's students dedicate our 1964 Cactus to Colonel McCaleb.

. . . foreword

This new edition of the Cactus has been published with one objective only: to capture a new-found spirit of one year between its covers. While we know that life at Judson School is a multitude of realities which are too intangible to be related in black and white, perhaps in some way we can preserve the spirit and the friendships which we all hold so dearly. If this book will serve to bridge the past and bring to mind the memories of joy and pleasure of the year just completed, it will have served its purpose. With these thoughts, we proudly present to you your new Cactus.

OFFICE

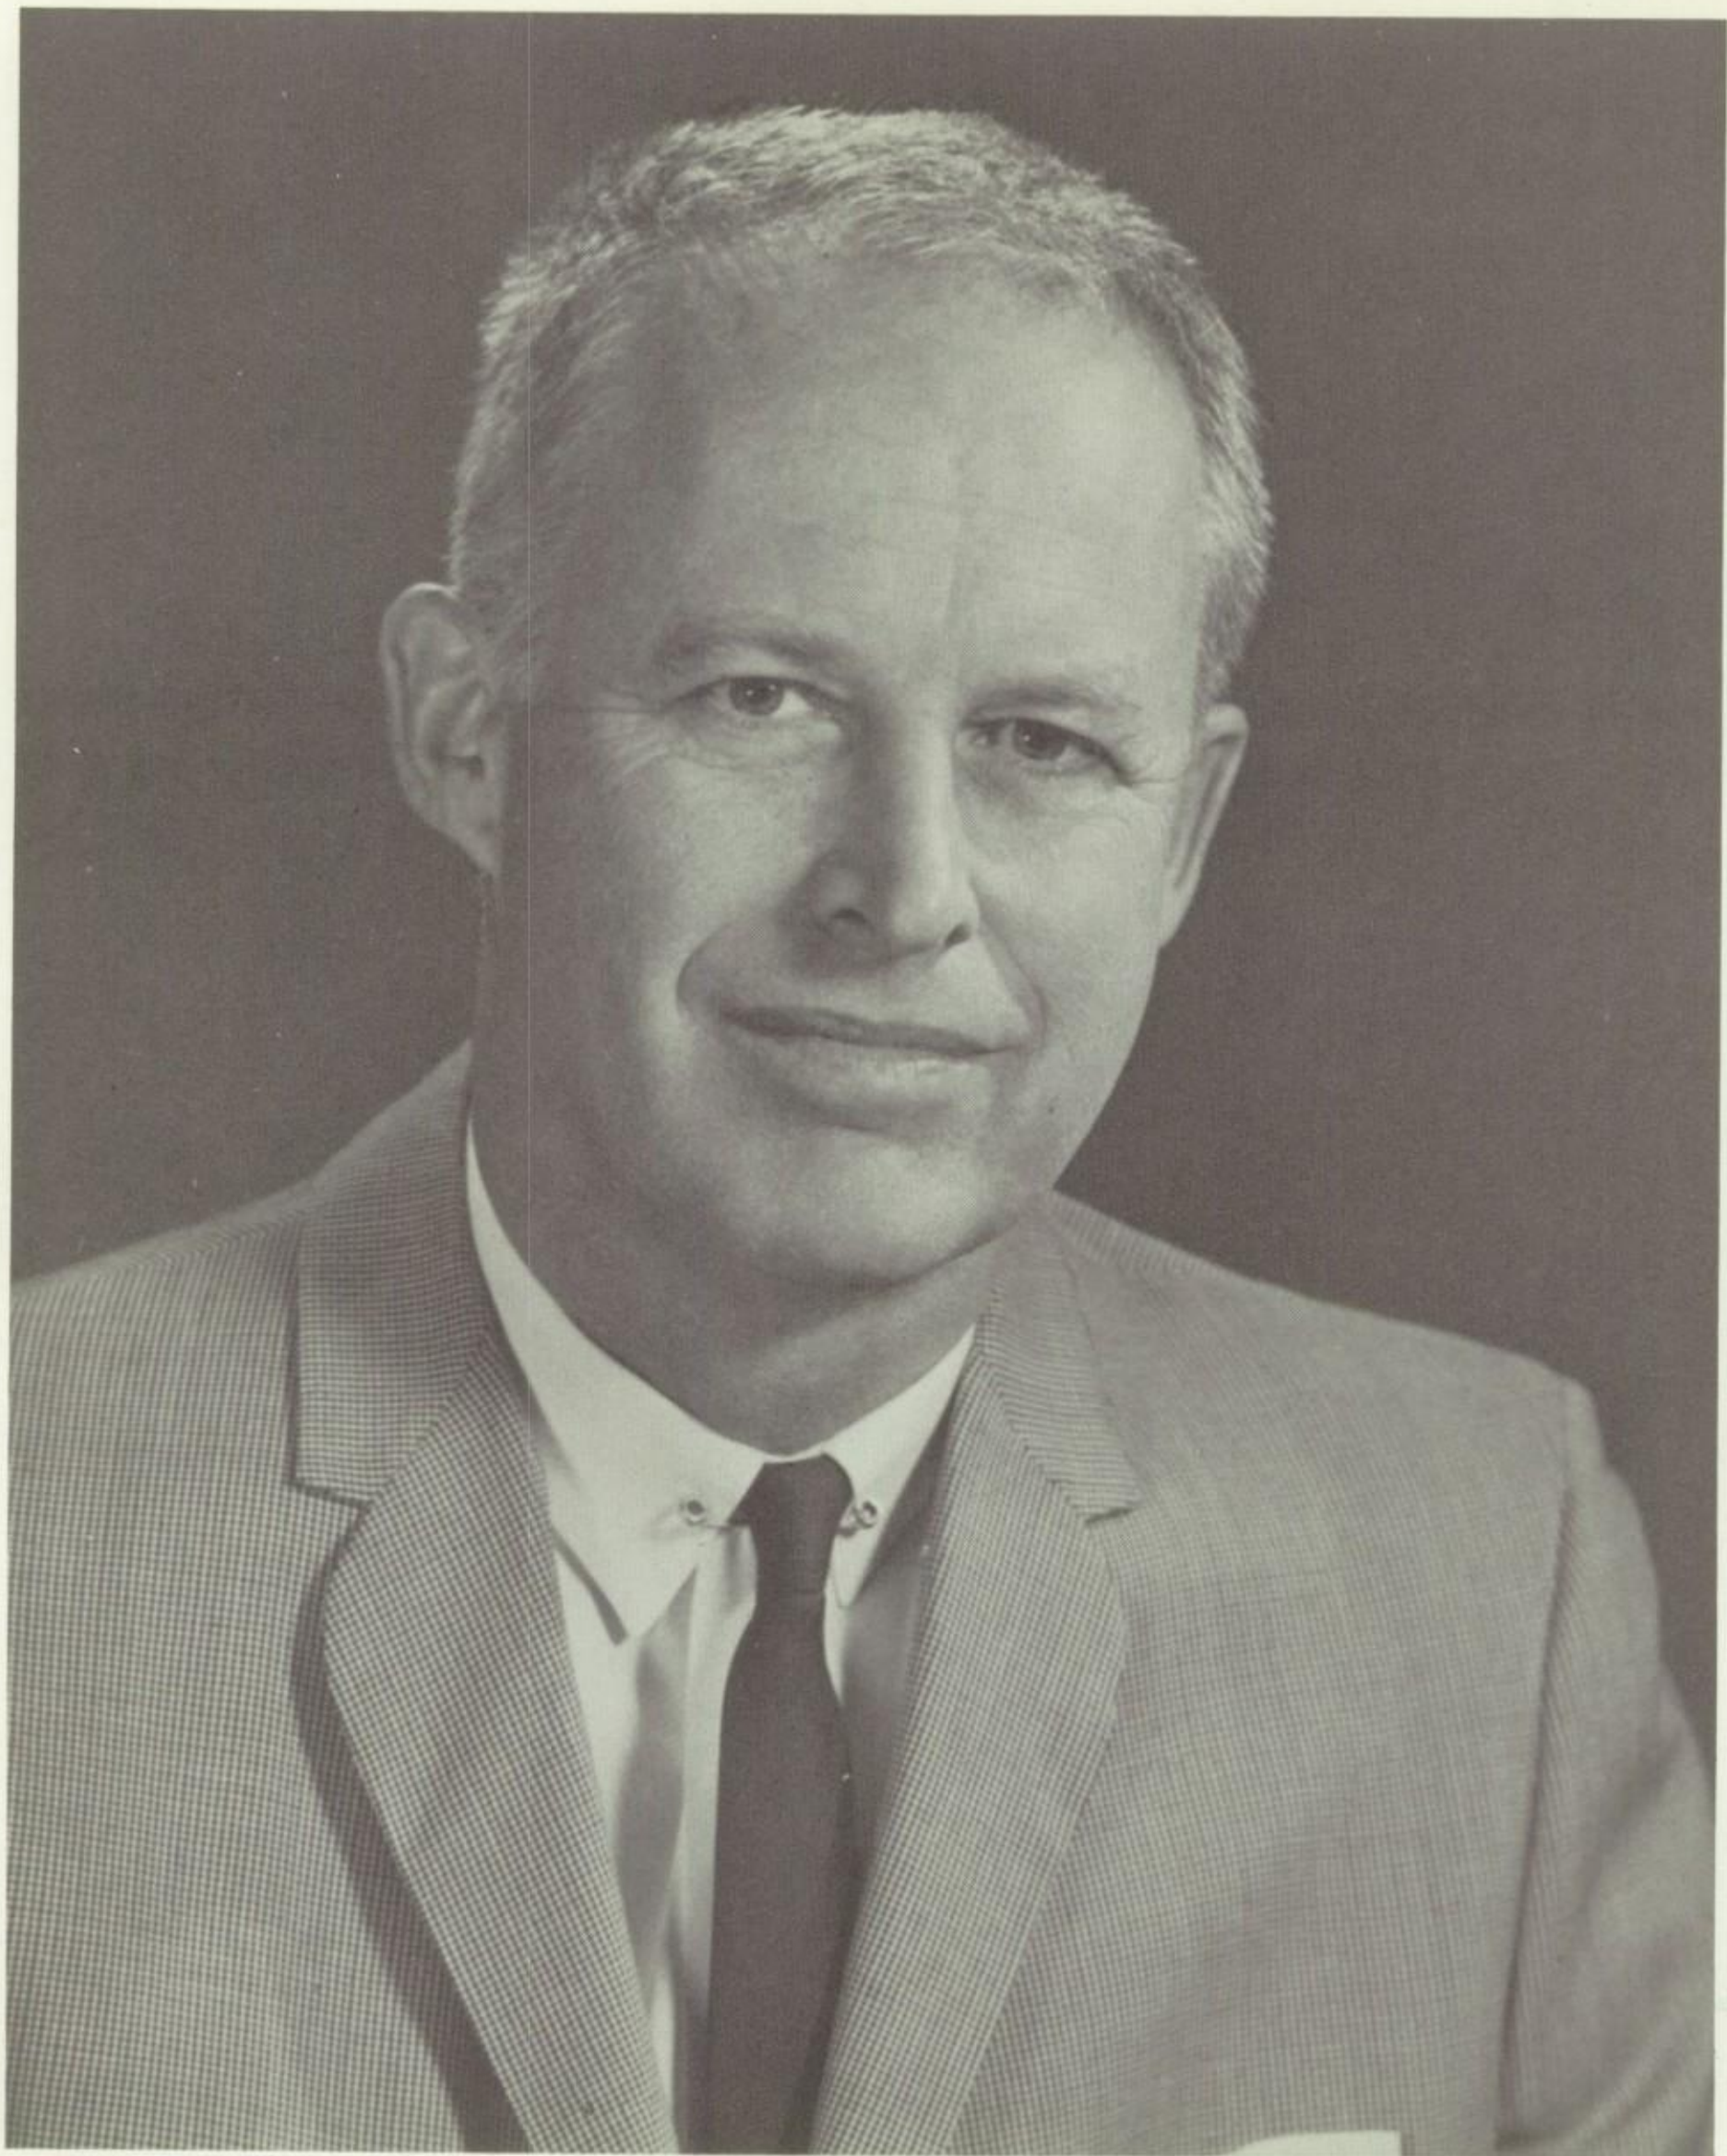

Administrators

Faculty

Staff

IT IS THROUGH THE ADMINISTRATION that the framework of Judson School is formulated, and this past year the appointment of a Dean of Boys and a Dean of Girls opened new administrative horizons.

Through our faculty we are exposed to many skills and knowledges; we learn, we become educated. There are those that also serve in many ways to comfort our physical needs and our expectations. They give and are not forgotten.

HENRY WICK
Director

... a message from Henry Wick

I am happy to send greetings to faculty, students, former students and friends of Judson School through the courtesy of the Cactus.

The past year has been a year of growth for us and the realization of some of our plans. New buildings have been erected, facilities have been improved, student enrollment broke all previous records.

With this expansion came an enlarged faculty and a spirit of accomplishment.

Judson School shall continue to work to expand its facilities and to improve its teaching in all areas. We are aware that we must offer to youth the best in educational opportunity, for the youth will become the support and substance of the nation.

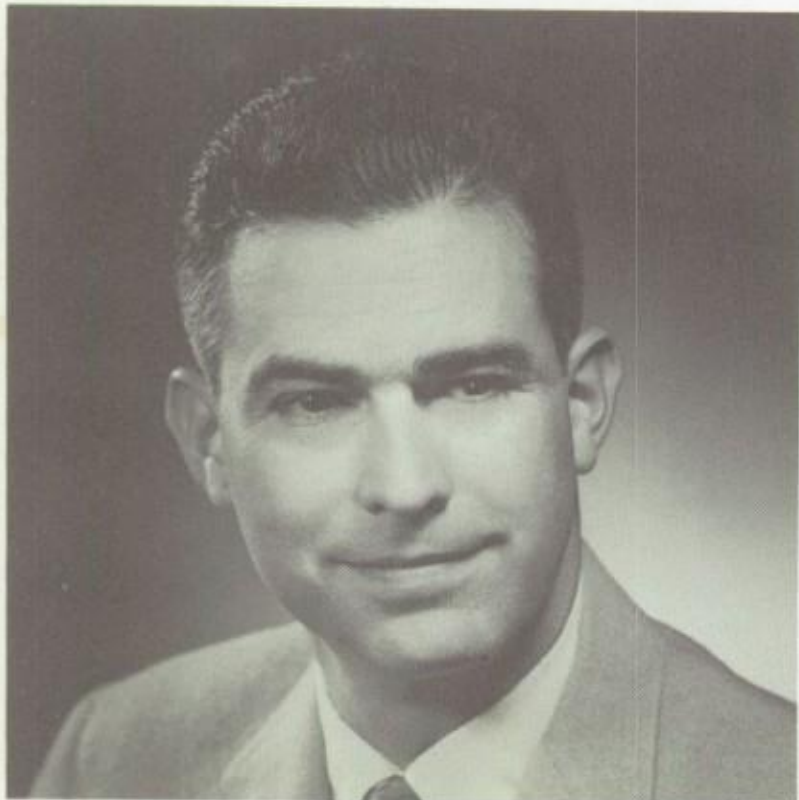

Former students throughout the 50 states and the many foreign countries can be proud to know that their school still is in the front ranks producing well-rounded, well-educated citizens.

DAVID WICK, *Headmaster*

WESLEY JOHNSON, *Business Manager*

WILLIAM O. WICK, *Campus Supervision*

The Judson

A FINE SCHOOL is a collection of many departments and many services. In some respects each is autonomous, yet they must work together to accomplish the overall objective. To tie this organization together and make it function as a unit, and at the same time to look ahead and plan for the future, is the task of the Judson administrators.

The School's operation is as complex as a large industry.

Administrators

FUNCTIONING IN THE INTEREST of those it serves and financed by private funds, the School must seek efficiency, yet must never lose sight of its purpose in education. It must be flexible to meet immediate problems, yet keep focused on long-range values.

Each administrator has his special responsibilities and his special talents. Combining these under the leadership of the Director and the Headmaster, policies are formulated and carried out.

EDWARD A. NOCK, *Assistant Headmaster*

OTTO R. DIETRICH, *Dean of Boys*

ELIZABETH BRADSTREET WALSH, *Dean of Girls*

*Mrs. McClintock (seated), Miss Wilson, and Mr. William Gunkel
plan classroom activities.*

Faculty

The faculty is the school.

We came here to be educated; they have helped us.

They have always been here when a question has arisen,
and answered that question.

Our faculty has put up with mistakes,
laughed at our jokes,
and even tried a bit of propaganda
to turn us to the "Book's" point of view.

IT TAKES A LOT OF THOUGHT, a lot of preparation, a lot of patience to serve 1500 meals every day of the school year. Yet the Judson staff does this cheerfully and quickly. The food is well designed to please the appetites of us all.

Riding Masters

RIDING IS one of the most popular activities at Judson. Here at the corrals, the Masters teach new equestrians the basic skills of horsemanship in English and western riding. Students already skilled in horsemanship are taught the intricacies that develop champion horsemen.

We are ready now to attempt to accomplish
that which is before us.

The four years of our high school
will be a memory throughout the rest of our life.

We look back
on the happiness, the sorrow, the triumphs,
the frustrations.

Somehow, it all seems worthwhile now.

We stand today remembering the past
but we look to the future, for the future is ours
and we go forward today to claim our inheritance.

Judson Mixed Chorus

THE CHOIR has presented concerts for the student body throughout the school year and has presented special music for many occasions. The Christmas program included favorite carols of other countries and a yuletide program was presented at Phoenix's Thomas Mall.

Valentine's Day was a program of love in song. Hymns of praise spotlighted Palm Sunday services and then the choir entered its annual spring concert. The chorus will be heard for the last time this year during commencement exercises May 15.

Getting ready for the spring concert are Penny Taylor, Chris Moore, Perry Wall, Penny Bremson, and Virginia West.

MEMBERSHIP is open to all girls interested in sports. At the beginning of the fall sports program, girls earn points by participating in volleyball and basketball interscholastic competition. Competitors are then initiated into the Association and compete with other schools in softball, track, and tennis.

SPORTS

John R. Hartom
Athletic Director

Our Athletic Director Speaks

WE HAVE HAD a wonderful year in sports, producing a champion football team, an all-winning basketball team, and fine efforts in roping, girls interscholastic competition, and the spring sports.

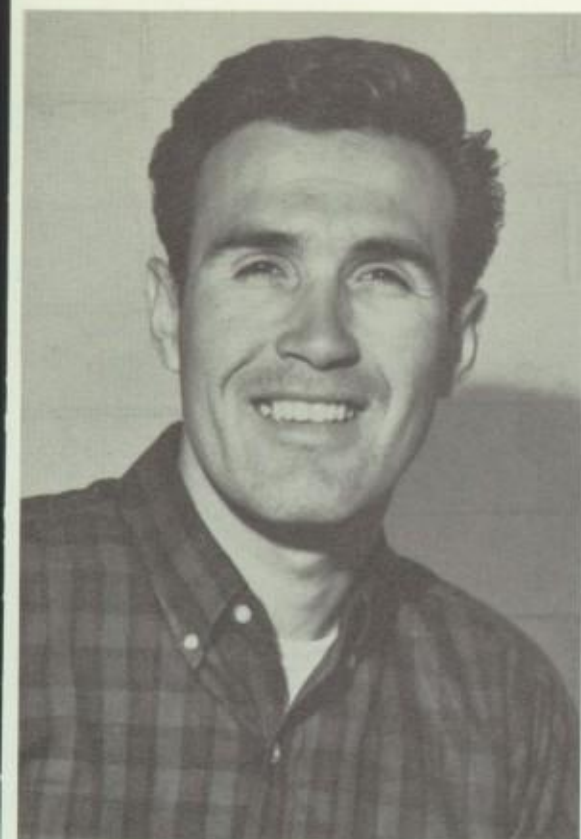

For the first time in school history, one of our athletes has gained first team All-State recognition, and other accolades have come from the Scottsdale Quarterback Club. Tribute to all our athletes was paid by Frank Kush, head football coach of Arizona State University, at the annual Sports Awards Dinner.

Intramural competition increased in numbers and in fervor this year. Although the school colors were not carried into these games, the games were fiercely contested to determine which dormitory could produce a champion team.

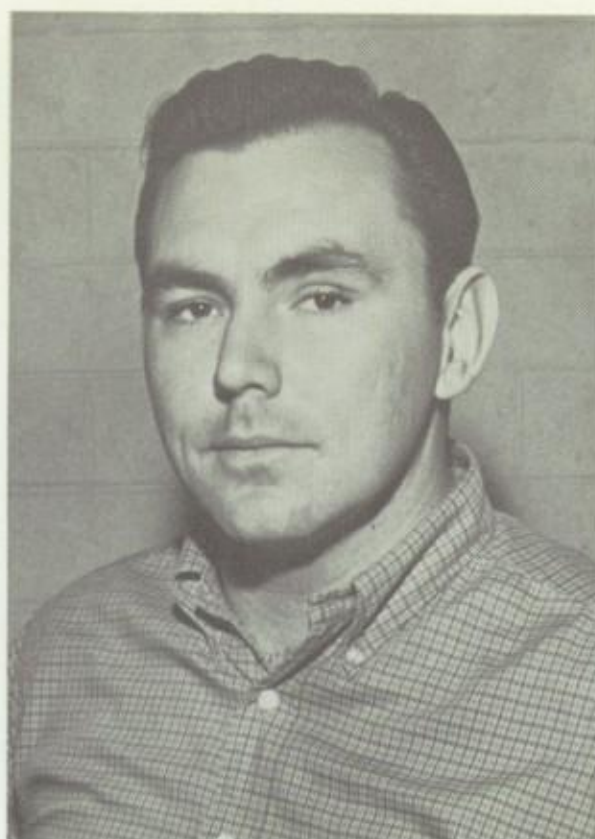

Judson is one of eight schools that proposes to create a new athletic conference. The proposed conference would compete in the major sports during the 1964-1965 school year, and in all sports by the 1965-1966 school year.

Next year instruction in health will commence and a program of remedial physical education will be instituted. The program will be designed for students with respiratory ailments that cannot have bodily contact but can benefit from physical exercise.

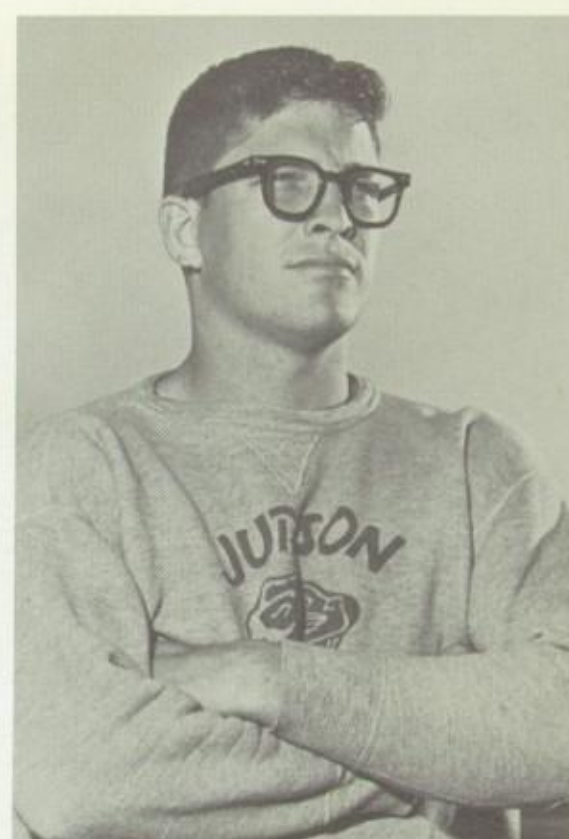

This has been a fine year for sports and all of us in the Department of Health, Physical Education, and Athletics look forward to an equally great next year.

State Football Champions

A FOOTBALL may bounce crazy ways, but it consistently bounced the right way for the 1963 Cougars. Knifing through the toughest 8-game schedule in the school's history, the footballers compiled a 7 won, 1 tie season and were installed State Class B Independent Champions.

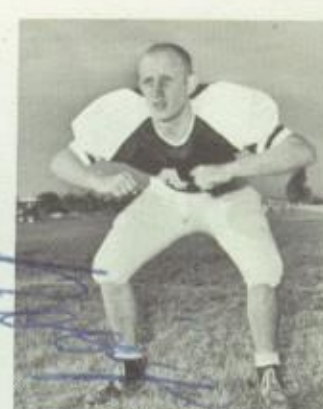

A fine bevy of backs crossed opponents' goals for 185 points in a tremendous display of offensive power. Yet, it was Judson's stout defense that keynoted the entire season. The defense was so stingy that opponents could score only a total 38 points, and four opponents were not permitted to score at all.

COUGARS WIN OPENER, 21-6

The Cougars opened the 1963 football season with a convincing win over the Ganado Mission Panthers.

Quarterback Mike Reagan threw touchdown tosses to Rex Wilmans and Don Miller and Bob Gurley scooted over from 20 yards out to account for Judson's tallies.

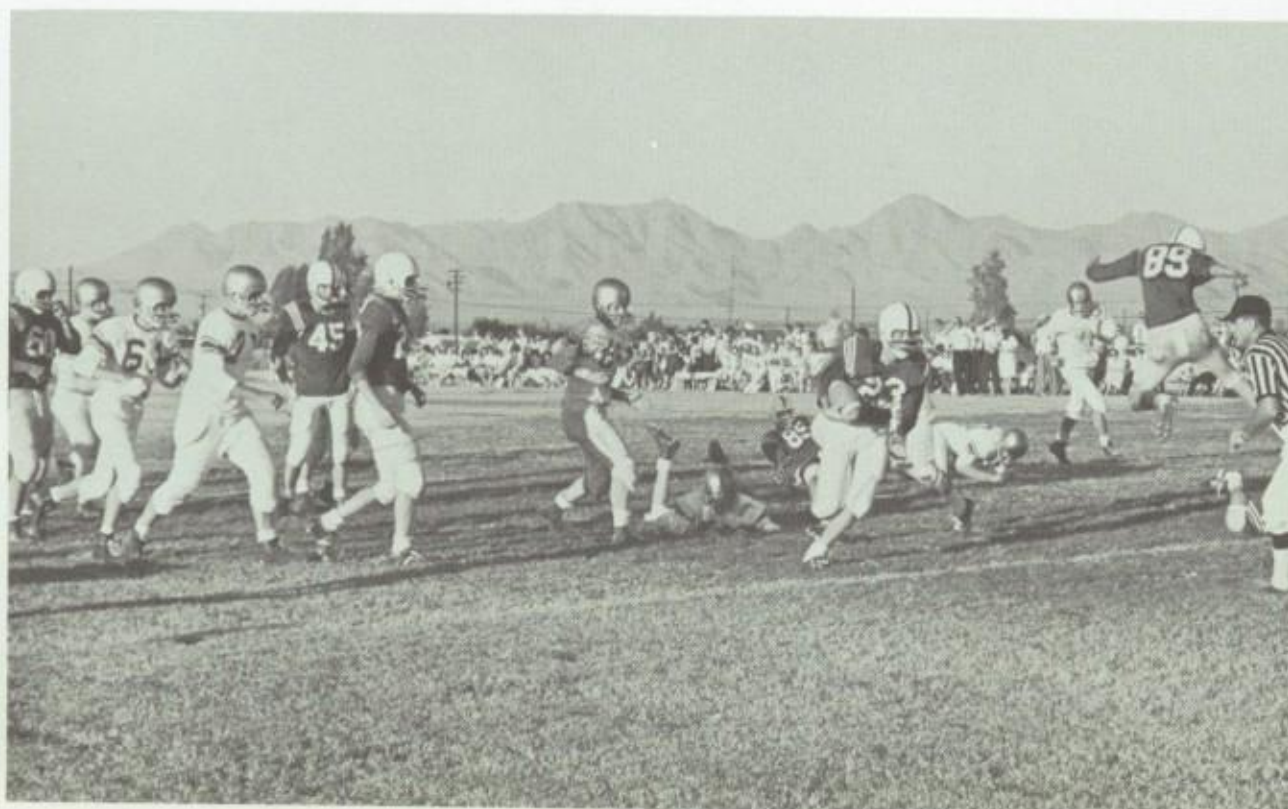

Ganado was not able to move inside the Cougar 30-yard line during the first half and scored its lone t.d. in the third quarter.

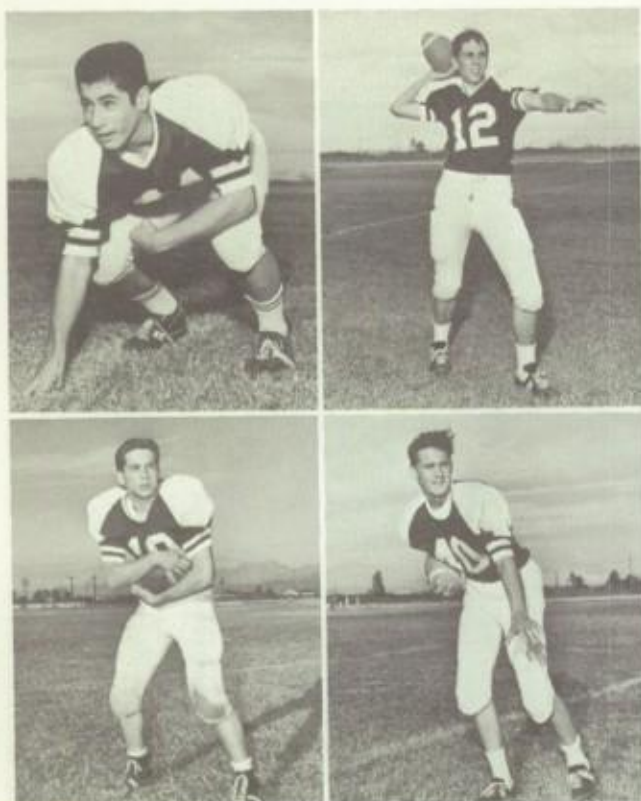

BOURGADE FALLS, 35-0

Impressive yardage was rolled up as the Cougars slipped past the Blue Angels.

Rex Wilmans was kept busy crossing the Bourgade goal line on runs of 40, 35, and 20 yards. Bob Gurley scored from 40 yards out and Richie Moe snatched a 30-yard aerial from Mike Reagan to complete the scoring.

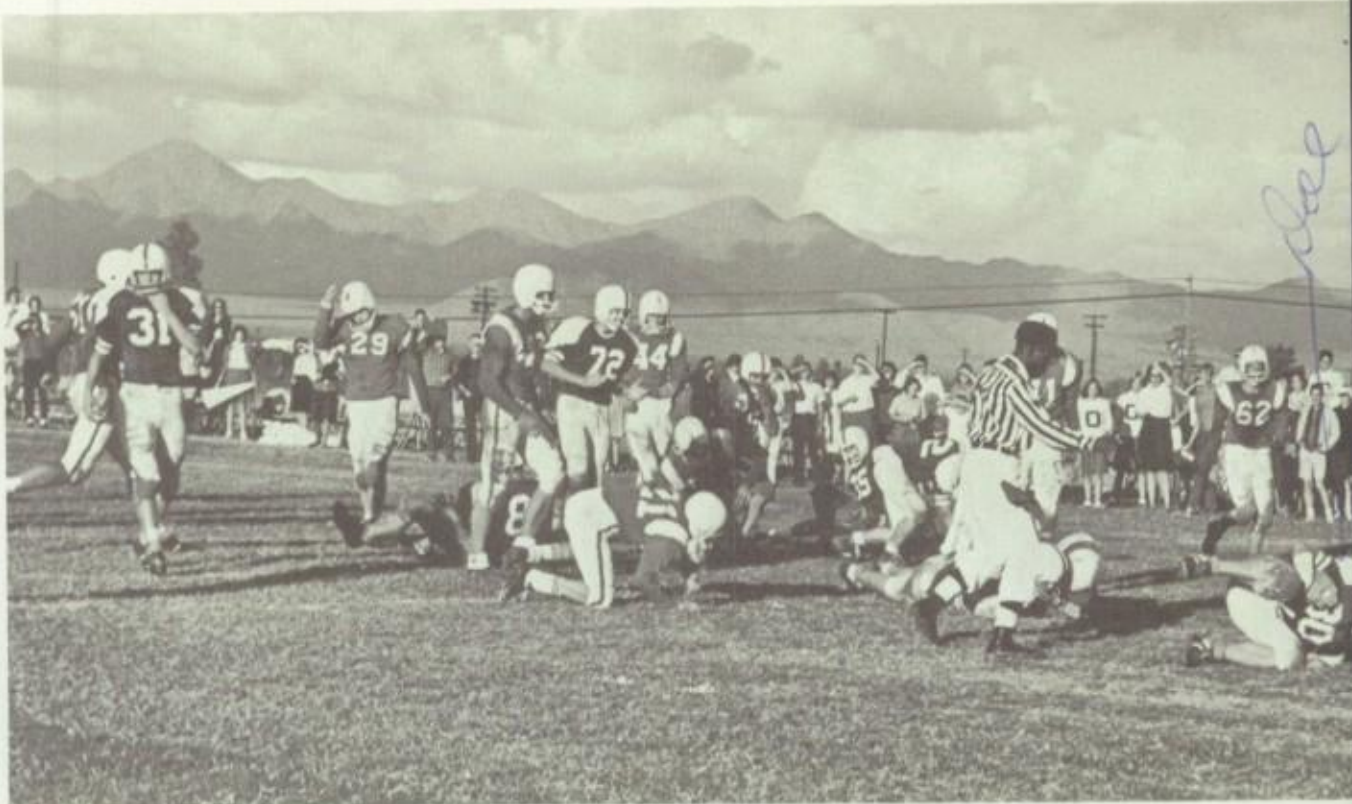

The Blue Angels never penetrated deeper than the Cougar's 35-yard line and Judson's fine line crashed through repeatedly to throw Bourgade backs for losses.

ORME RANCH LOSES, 14-13

A football team called desire was Judson when it took the field against arch-rival Orme Ranch and whipped the Warriors for the first time.

Orme started strong and at halftime Judson left the field trailing 7-0. But after intermission the Cougars surged ahead on runs of 40 yards by Larry Jackson and 35 yards by Dave Hornsby.

With only two minutes remaining in the game Orme struck through the air for a t.d. The all-important extra point was blocked when Judson's All-State guard, Barry Weiss, crashed through the line. The defeat for Orme was it's first in more than 3 years.

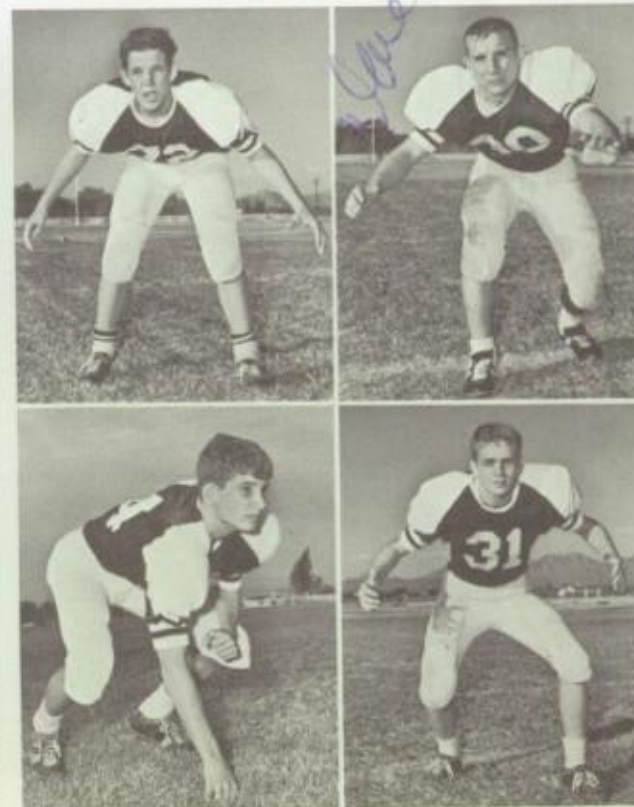

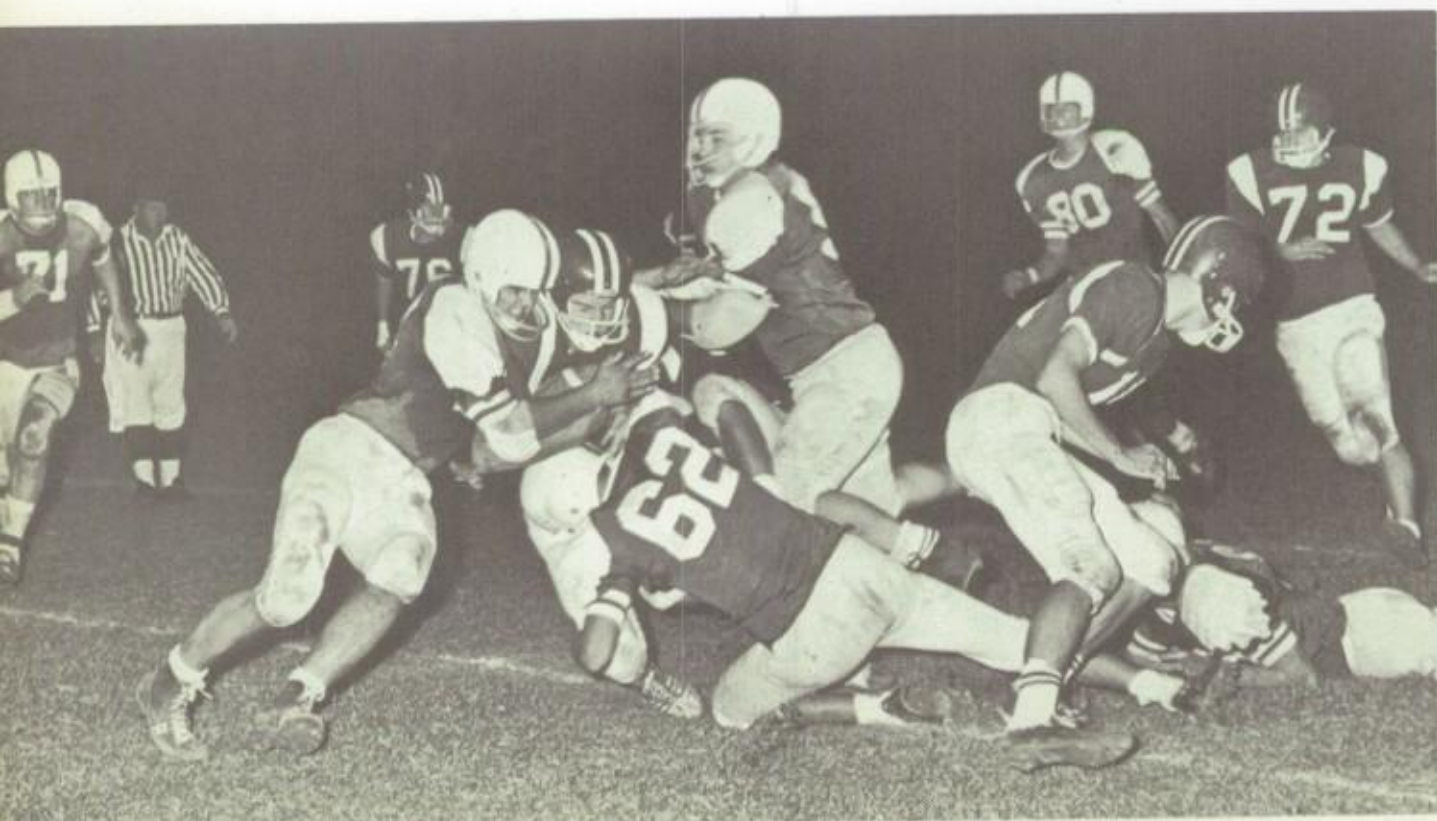

PARADISE VALLEY HELD TO 12-12 TIE

The Blue and White went outside its league to take on the Class A Trojans of neighboring Paradise Valley. Senior quarterback Mike Reagan engineered a 70-yard sustained drive and scored from 8 yards out to catapult Judson into the lead. Dave Hornsby added 6 more points when he cracked over left guard for 50 yards.

Paradise Valley returned after intermission and crashed over for two quick t.d.'s in the bitterly fought contest. On both attempts at the conversions, All-State guard Barry Weiss burst through the Trojan line to block the p.a.t. and preserve the tie with the bigger school.

MARICOPA BEATEN, 26-0

A game but outmanned team of Maricopa Rams became the next victim of the Judson juggernaut. Scoring in every quarter, the Cougars racked up a comfortable lead and then substituted freely in the last two quarters.

The fine Cougar line completely contained the Maricopa offense and opened the way to the goal line for Richie Moe, Dave Hornsby, Rex Wilmans and Fred Doyle.

DUNCAN DISMANTLED, 24-0

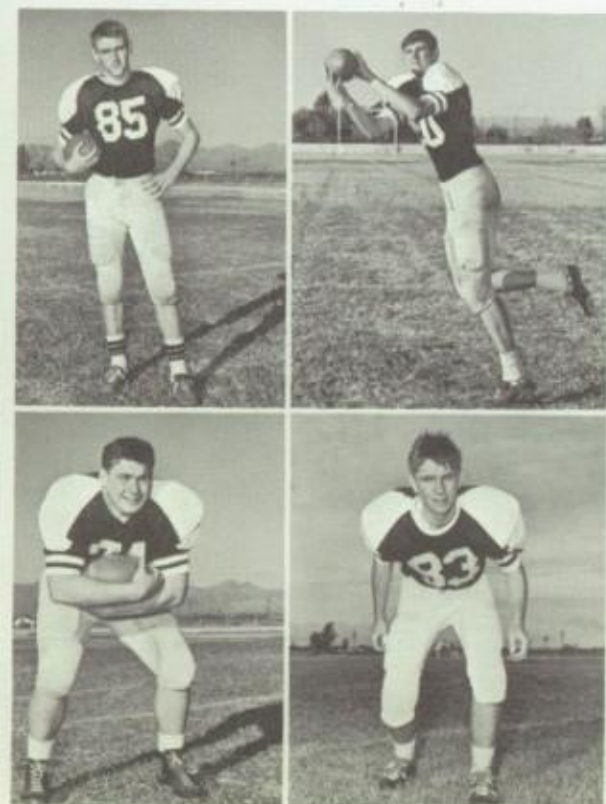

Judson traveled to southeastern Arizona to test Class B East's Duncan Wildcats and came back home with another win.

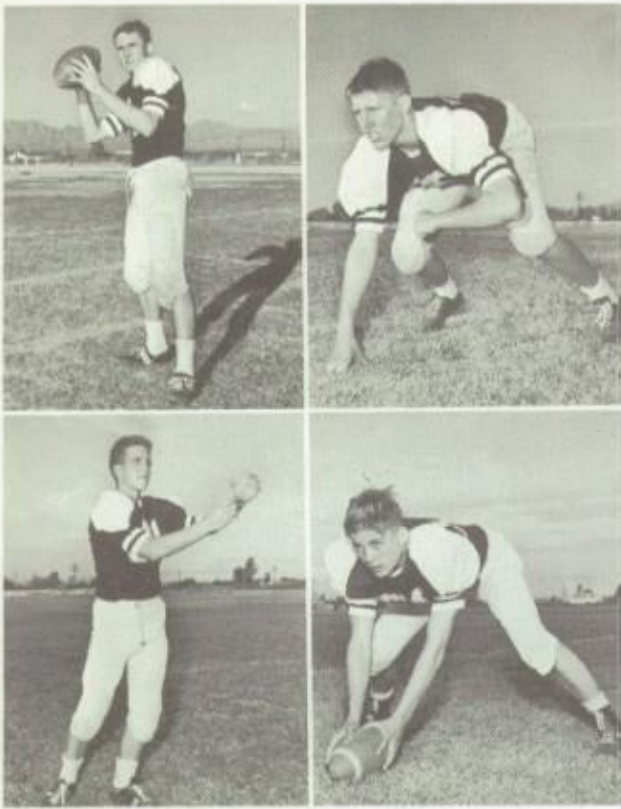

The Cougars struck quickly in the first period when senior quarterback Mike Reagan tossed to Don Kirk for 20 yards on a tackle-eligible play. Another lineman scored Judson's next six points when guard Mike Einbender picked off a Duncan fumble and ram-bled 15 yards for the score.

Fullback Dave Hornsby punched over from the 2 in the third period to cap a 70-yard sustained drive and a few minutes later quarterback Reagan went 40 yards up the middle to cap the scoring.

ST. JOHN'S SCALPED IN HOMECOMING, 32-0

The Indians left the reservation and got slapped down on Judson's home field in the very first Homecoming game in Judson's history. In an awesome display of power, the Cougars sent their fine backs again and again across the Indians' goal line.

St. John's was kept bottled up constantly deep in its own territory by the fierce defense of the Cougar line, and twice Indian backs were caught in their own end zone. The homestanding footballers scored the first time they got their hands on the ball and added points in every quarter.

SETON STONED, 21-7

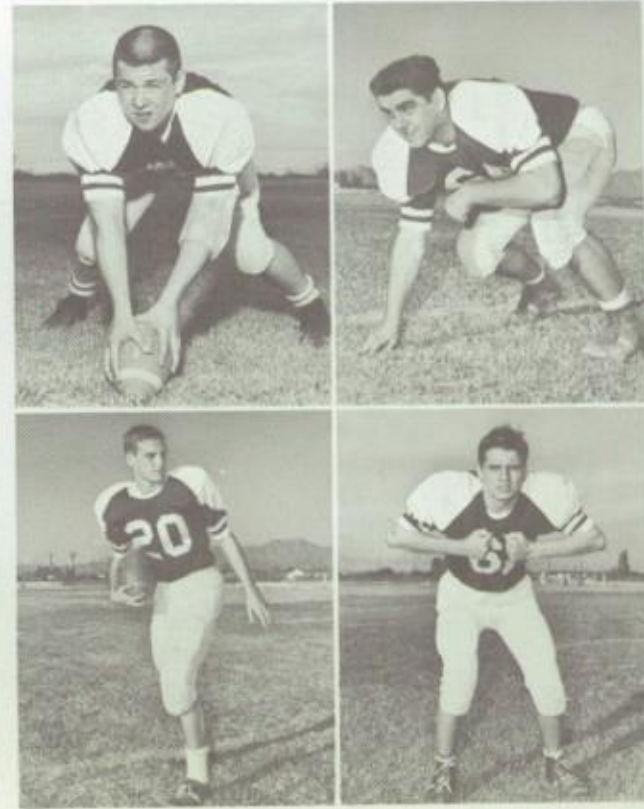

Seton brought its undefeated, highly regarded Sentinels to Judsonland for the season finale and the showdown battle for the Class B Independent championship. Judson was not to be denied and came away from the game with a victory, its first win over Seton in three tries, and a state title.

The Cougars started fast with two quick tallies in the first quarter, added another in the second frame, and led 21-0 at halftime.

With four minutes remaining in the game, Seton tossed into the end zone and converted for its only score. The Cougar line completely throttled the Sentinel backs and held Seton to 62 yards rushing for the entire game.

Frank Kush stressed the sense of fair play and character developed through competitive sports and pointed out that self-discipline is one of the inherent factors of athletics.

Mountain Desert Conference

ON MAY 2 representatives of eight schools gathered at Judson to lay the foundation for a new athletic conference and to work out plans during the summer for schedules of competition. The proposed conference members would compete in the major sports during the 1964-1965 school year and in all sports by the 1965-1966 school year. WISHING...

Won't Make It So

Accomplishment takes planning and the best time to start is now.

As you go on in life, you'll find again and again that a good education, wisely used, has more to do with the realization of your plans and dreams than Lady Luck ever does.

It is the same with the energy business. We have to plan far ahead to be certain you will always have all the electric and natural gas energy you need for all the work you wish to do.

Now that the last deadline has descended upon us and our work is at an end, I am able to look back and fully realize just what we have accomplished. A yearbook is a product which is produced with the help of many people; it cannot be done alone.

First and foremost, I would like to thank our advisor, Mr. Dobbs, who has given your CACTUS his almost undivided attention. No matter how drastic the occurrences or calamities he would always be there to help. Without him I doubt that we could have produced this yearbook.

Mr. Meathers, our photographer who delivered the pictures needed and worked under the many deadlines, deserves more than our thanks.

Linda and Cheryl, I thank you both for the tremendous effort that you have devoted to the cause. Ken, Scooter, and Bob, all of your accomplishments are very much appreciated.

I hope that in the years to come your CACTUS will be a possession that will forever bring back part of the memories of this year.

Tom Barker
